## The Waco Community Band

Founded in 1981 and sponsored by McLennan Community College, the Waco Community Band is an active extension of MCC's musical leadership in the Central Texas area. The band consists of amateur and professional musicians who meet at MCC to rehearse and perform as many as ten concerts each season. Many members are from Waco, although several commute more than 80 miles to participate. Besides bringing high-quality concert performances to the Waco area, the WCB is also active in community-sponsored events such as the Race for the Cure, summer music presentations, Veteran's Day services, memorial services, and July 4<sup>th</sup> celebrations. The band also provides musicians for several of MCC's opera and musical productions.

### Our Mission

To promote music and its enjoyment throughout Central Texas. To provide an opportunity for amateur and professional musicians to fulfill their souls. To bring new music of high artistic integrity to the community while at the same time preserving the rich repertoire of the past.
